JUNE 2010

Highly resistant to microbes. And added costs.

Hart & Cooley flexible duct products are not only designed to remain mold and mildew-free throughout their lifetime, they're completely free of pesky upcharges, with no need to pay for coatings. Rigorously tested with a UL181 listing and GreenGuard® certification, this is the most highly certified flexible duct in the industry.

Clean, pure, safe and - as always - affordable.

Additional Certifications and Listings:

- GreenGuard® Children and Schools Certified
- GreenGuard® Level-4 Highly Microbial Resistant rated
- The Collaborative for High Performance Schools (CHPS)
- American Schools and Hospital Facilities Product Directory
